MEMORANDUM FOR: Director of Security  
Attn: Alien Affairs Office

SUBJECT : Leonide HUMBEROS

1. The subject above has recently been involved in a most sensitive operation in a denied area. This Branch is implementing steps for his removal from Europe -- to take place during March 1955. Since it is most necessary to bring him to the United States as rapidly as possible in order to minimize any possibility of movement traces, it is requested that approval be granted to bring subject into the United States "black" by means of an HBELECTOR flight.

2. Covert Security Clearance #47281, dated 4 November 1952, was granted to permit his utilization as a contract agent. It is planned that the agent will undergo extensive debriefings by Headquarters personnel. Subsequent to this, action on his resettlement will be initiated. However, his return to a secure area in the United States is our primary objective at this time. Your expeditious handling of this request will be appreciated.
